

**STONE TYPE**

Marble

FINISH

Polished

ORIGIN

Sichuan Province, China

RECOMMENDED USES

Commercial & Residential

Interior

Floor & Wall

Backsplashes

Fireplaces

Tub Surrounds

Vanities

SIZES

12"×12"×3/8"

12"×24"×3/8"

Manhattan is quarried from a bedrock quarry in the Sichuan Province of China. During the winter months, this quarry is shut down for a period of time because of the harsh conditions of snow and ice. This is a metamorphic stone which evolved from a limestone due to extreme heat and pressure. It is also a softer stone, and may be susceptible to scratching or abrasion. Arizona Tile also offers Manhattan as a product of our tumbled program, which includes a multitude of mosaics and tile sizes that will provide a more unique style to any design. As a natural stone product it is recommended that it be sealed to extend its longevity. When installing white marble you must use a white thinset. Using grey thinset will leave trowel lines and could stain the marble.

NSF indicates this product conforms to the requirements of NSF/ANSI Standard 51, thereby meeting the health and sanitation requirements for materials used in areas of food preparation.

SIZE	PIECES/BOX	SF/BOX	UNITS/PALLET	SF/PALLET
12"×12"×3/8"	10	10	36 boxes	360
12"×24"×3/8"	5	10	42 boxes	420

Standard packaging quantities are noted above, but variances may occur.

Please view actual stone when making your selection, as the images on this page are only representative.
