Sky Blue is a marble tile that is part of the Completa Series. Its is a faint blue marble with very subtle white details scattered throughout each piece. Its slight blue hue gives it a luxurious, ethereal appeal. Piece to piece variation in shade or color are inherent in all natural stone products; therefore, when installing natural stone tile, it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color. As natural stone products, it is recommended that these be sealed to extend their longevity.
