The Completa Series is a collection of Natural Stone Mosaics & Mesh Mounts that are offered in six color collections, each with more than five mesh variations. Each variation is artistically crafted, with exclusive materials strategically arranged to display the material in unique and breathtaking patterns. CS-Bianco Venatino is a marble tile that is part of the Completa Series. Offered in six sizes/options, each tile is arranged on a versatile mesh backing. CS-Bianco Venatino is a white marble with delicate grey veining dispersed throughout. This color variation is clean and timeless, complimenting infinite design styles.
