The Completa Series is a collection of Natural Stone Mosaics & Mesh Mounts that are offered in six color collections, each with more than five mesh variations. Each variation is artistically crafted, with exclusive materials strategically arranged to display the material in unique and breathtaking patterns. CS-Terra Nova is a marble tile that is part of the Completa Series. Offered in more than six sizes/options, each tile is arranged on a versatile mesh backing. CS-Terra Nova is a neutral toned, cream marble with subtle organic details throughout. Its clean yet rich organic details make it neutral enough to be used in a variety of installations.
