Refer to price list or binder
 for colors and sizes.

Casalgrande Padana is a product line that is specifically designed for commercial applications. It is available in a number of series with a plethora of colors and sizes. The Ardesia series is suitable for both dry and wet or humid rooms. It is great for all applications from the most original building of modern architecture to the restoration of classic buildings. Casalgrande Padana Ardesia is ideal for high traffic applications and can withstand significant physical-chemical stress.

When installing rectangular tiles 15 inches or longer with a staggered joint, it is recommended that the offset should not exceed 33%, unless otherwise specified by the manufacturer.
