Subway Tile dates back to the early 1900's and has a distinctive charm and character. In the right setting it can have a traditional feel or be easily updated to a modern, sleek look. This series offers two rectangular sizes, a 3" × 6" and 4" × 12". The trim package includes bead, beak, chair rail and multiple SBN and DBN. A black accent flat liner bar is also available in 1" × 6". Please note the thickness of the 4" × 12" tile is 1/16" greater than the other items.
