**FROSTPROOF:** Yes

**C.O.F. WET:** 0.56

The Verona Series is a rectified glazed porcelain tile. Because this material is a porcelain product, minimal maintenance is required, while sharing similar, beautiful visual characteristics of natural stone. It is available in three neutral, subtle hues, each of which provides minimal tonal contrasts between pieces. This series is suitable for residential applications.

| SIZE    | CONVERSION/PC. | PIECES/BOX | SF/BOX | BOXES/PALLET | SF/PALLET |
|---------|----------------|------------|--------|--------------|-----------|
| 20"X20" | 2.69           | 6          | 16.14  | 32           | 516.48    |
|         |                |            |        |              |           |
|         |                |            |        |              |           |
|         |                |            |        |              |           |
|         |                |            |        |              |           |
