Smooth Finish

C.O.F. DRY: 1.03
Abrasive Finish

C.O.F. WET: 0.95
Abrasive Finish

The Quarry Colonial tile series is a full body clay tile. This product is manufactured in the United States and is extruded, not pressed. Because this tile is 100% clay and very dense, it is extremely durable. Due to the low water absorption rate, the tile is highly resistant to staining. It is also a good option for exterior use and can withstand extreme cold weather conditions. This series is suitable for residential and commercial applications.

SIZE	PIECES/BOX	SF/BOX	UNITS/CRATE	SF/CRATE
