## Arizona Tile Just Design Nouveau Medallion

Arizona Tile's [Just Design Program](#) offers a collection of modern and traditional patterns. It allows our clients to customize one of our unique designs by choosing their own materials from our extensive selection of products. Designs can be made by combining porcelain, stone, and glass or mirror. This example is our [Nouveau Medallion](#) design, made using our [Basaltina](#) porcelain series.

### **About Arizona Tile**

Founded in 1977 in San Diego, California, Arizona Tile has grown into a nationally recognized commercial and residential distributor with more than 25 showrooms throughout seven Western states. Arizona Tile is one of the largest independently-owned importers of stone in the United States, offering more than 230 varieties of granite, travertine, onyx, slate, marble, limestone and quartz, plus medallions, porcelain tile and other design creations. Founded by John Huarte, former NFL player and Heisman Trophy winner, the company is still family-owned after more than 35 years.
