DT-Resin Pearl Matte is a Della Terra™ Porcelain Slab. Our Della Terra™ Porcelain Slabs are a technologically advanced, innovative surface that are available in a wide variety of colors and patterns. The DT-Resin Pearl Matte background is a light, warm grey blended with white which results in a look of an aged surface.

Because this material is a porcelain product, minimal maintenance is required. This product is suitable for residential and commercial applications. The durability of porcelain, including it being resistant to UV light, heat and frost, makes this slab ideal for exterior use.
