Bianco Tiza is a cool white quartz with faint grey detailing throughout. Its subtle, yet fluid pattern against its stark, chalky background gives Bianco Tiza the appearance of natural stone. Della Terra® Quartz, a natural quartz surface, is a blend of nature and technology. It consists of up to 94% quartz, one of the hardest minerals in nature. Color controlled quartz is blended together with technologically advanced polymers. Della Terra® Quartz surfaces are ultra-durable, resistant to scratches and chipping, plus its dense composition makes it highly resistant to staining. Della Terra® Quartz should be used for interior surfaces only.
