freeze/thaw conditions

## RECOMMENDED USES -

Dolomite White

Residential  
Interior Floor  
Interior Wall  
Exterior Cladding  
Fireplaces  
Shower Walls

The Large Chevron is a honed mesh mount stone available in five colors. The application options are numerous but please note that the Atlantic Grey and Jade while they can be used in exterior applications, not in exterior freeze/thaw conditions.

There can be noticeable variances between pieces, so it is important and recommended that a range of this product be viewed before finalizing a purchase.

Piece to piece variation in shade or color are inherent in all natural stone products; therefore, when installing natural stone tile, it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color.

When installing white marble or dolomite you must use a white thinset. Using grey thinset will leave trowel lines and could stain the material. As a natural stone product, it is recommended that this be sealed to extend its longevity.

SIZE	SF/PIECE	PIECES/BOX	SF/BOX	UNITS/PALLET	SF/PALLET
Honed Large Chevron Mesh	0.538	10	5.38	750	403.50

Product selection varies at each location. Please contact your local Arizona Tile for product availability.  
Please view actual stone when making your selection, as the images on this page are only representative.
