

ARIZONA TILE

COMPLETA SERIES

CS-Calacatta Gris Honed Oval Mesh

Add a beautifully organic aesthetic to your home with our Completa Series (CS) stone tiles. With full size tile options as well as elegant mesh mounted designs available in each color, creating a unique and cohesive design is realistically attainable. These products are crafted from the finest marbles and provide a subtly luxurious, expressive accent for both interior and exterior surfaces. Featuring a variety of delightful options from an elegant lotus pattern to charming pickets, our CS collection has a tile perfect for every design and every home style.

A mesh backing is adhered to the back of each decorative mesh mount product. Because this series is comprised of natural stone, there will be noticeable variations in color and movement between pieces. Therefore, it is important and recommended that a range of this product be viewed before finalizing a purchase. Piece to piece variation in shade or color are inherent in all natural stone products; therefore, when installing natural stone tile, it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color. As natural stone products, it is recommended that these be sealed to extend their longevity. When installing any of the options with white stone, you must use a white thinset. Using a grey thinset will leave trowel lines and could stain the stone.

PRODUCT TYPE

Marble

STOCKED FINISH

Honed

ADDITIONAL STOCKED ITEMS

4 × 16 × 3/8

12 × 24 × 3/8 (Excludes Terra Nova)
