Rhomboid Mesh

CS-Skyline Honed

Ribbon Mesh

Skyline is a marble tile that is part of the Completa Series (CS). It is a warm toned marble with variations of cream, taupe and brown throughout. Its striking color variations add visual interest while remaining neutral enough to be used in a variety of designs. Because this series is comprised of natural stone, there will be noticeable variations in color and movement between pieces. Therefore, it is important and recommended that a range of this product be viewed before finalizing a purchase. Piece to piece variation in shade or color are inherent in all natural stone products; therefore, when installing natural stone tile, it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color. When installing white marble, you must use a white thinset; using grey thinset will leave trowel lines and could stain the marble. As natural stone products, it is recommended that these be sealed to extend their longevity.

SIZE	SF/PIECE	PIECES/BOX	SF/BOX	UNITS/PALLET	SF/PALLET
Honed 4 × 16 × 3/8	.4444	20	8.888	640	284.416
