(Glossy) [Coming Soon](#)

1/2 x 12 Pencil Bullnose
(Matte) [Coming Soon](#)

The Contour Series is a rectified white body ceramic wall tile. This series combines a clean, simplistic look with rich textures that give the appearance of commercial textiles. There are five dynamic multi-dimensional styles in a matte finish plus a flat field tile offered in both a matte and glossy finish. This series is suitable for residential and commercial vertical applications.

For proper bonding, LFT/LHT mortar for large format and heavy tiles should be used when installing tiles with a dimensional length greater than 15 inches, and rectangular shape and plank tile, per industry standards. Proper thinset coverage is also necessary, and in some cases, back buttering of the tile may be required.

Contour White Tweed Matte & Contour White Flat Matte

To get full effect of the Contour pattern, it is recommended to set the tile with a straight joint as shown in the diagram.

When installing Contour White Flat Glossy or Matte with a staggered joint, it is recommended that the offset should not exceed 33%, unless otherwise specified by the manufacturer.
