Shower Wall  
\*Steam Showers  
Pool & Spa  
\*Wall only

DYNAMIC C.O.F. WET: n/a

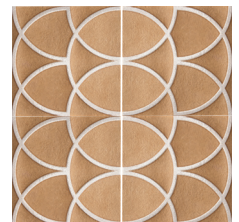

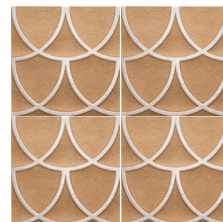

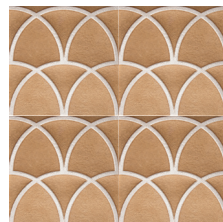

P.E.I RATING: n/a

FROSTPROOF: yes

The Curve series is an Italian-made rectified color body porcelain tile inspired by traditional craftsmanship and reinterpreted with a contemporary twist. It is three-dimensional, featuring a matte color background and raised curve design, with an off-white color glaze. Numerous Patterns can be created by rotating the pattern of the tile (see below). Because this material is a porcelain product, minimal maintenance is required.

There can be noticeable variances between pieces, so it is important and recommended that a range of this product be viewed before finalizing a purchase. Piece to piece variation in shade or color are inherent in all fired clay products; therefore, it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color. When mixing sizes within a series, shade, texture and calibration differences should be expected. This series is suitable for residential and commercial applications.

#### Optional Install Layouts
