**PRODUCT CONTAINS
 $\geq 20\%$ PRE-CONSUMER
RECYCLED CONTENT**

STOCKED SIZE

8 x 8

The Cementine Posa Series is a rectified porcelain that provides the charm and elegance of a vintage effect. It is available in five, unique designs that allow for great variety in how they can be used. Whether using them as individual accents, creating a group of one design, or mixing multiple designs together, they can be used to create a unique layout. When mixing sizes within a series, shade, texture and calibration differences should be expected.

For packaging information, please contact your local Arizona Tile.

DCOF rating is a measurement of a tile's frictional resistance. It is the specifier's responsibility to ensure the chosen tile is appropriate for each interior and exterior application.

Please view actual material when making your selection, as the images on this page are only representative.
