Reverie 4 & 5

Reverie is an 8 × 8 porcelain tile that is offered in a variety of patterns and hues. Lending to the resurgence of vintage design, Reverie offers patterns reminiscent of years past. In spite of its aged appeal, Reverie pairs well with a variety of modern materials, creating installations that are both charming and unique. Because this material is a porcelain product, minimal maintenance is required. This series features individual tiles that combine to make beautiful patterns. Although each tile is 8 × 8, this material is priced by the square foot.

Piece to piece variation in shade or color are inherent in all fired clay products; therefore, it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color. This series is suitable for residential and commercial applications.
