D.C.O.F. WET: ≥0.42

P.E.I. RATING: 5

FROSTPROOF: Yes

Tivoli is a rectified color body porcelain tile. It provides a natural, travertine stone look with the ease of caring for porcelain tile. It is available in two sizes. Because this material is a porcelain product, minimal maintenance is required. This series is suitable for residential and commercial applications. Piece to piece variation in shade or color are inherent in all fired clay products; therefore it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color.

For proper bonding, LFT/LHT mortar for large format and heavy tiles should be used when installing tiles with a dimensional length greater than 15 inches, and rectangular shape and plank tile, per industry standards. Proper thinset coverage is also necessary, and in some cases, back buttering of tile may be required.

When installing rectangular or square tiles 15 inches or longer with a staggered joint, it is recommended that the offset should not exceed 33%, unless otherwise specified by the manufacturer.

SIZE	SF/PIECE	PIECES/BOX	SF/BOX	BOXES/PALLET	SF/PALLET
12 x 24 x 10mm	1.9368	6	11.6208	40	464.8320
18 x 36 x 10mm	4.3578	3	13.0734	32	418.3488
2 x 2 x 10mm Mosaic Mesh	0.9588	10	9.588	45	431.46
3 x 12 x 10mm Surface Bullnose (SBN)	N/A	N/A	N/A	N/A	N/A

DCOF rating is a measurement of a tile's frictional resistance. It is the specifier's responsibility to ensure the chosen tile is appropriate for each interior and exterior application.

Standard packaging quantities are noted above, but variances may occur.
