**P.E.I. RATING:** 4

**FROSTPROOF:** Yes

**PRODUCT CONTAINS  
 $\geq 40\%$  PRE-CONSUMER  
RECYCLED CONTENT**

The Castle Brick Series offers five colors with beautiful variety. A coordinating corner piece provides increased flexibility for design applications. Because this material is a porcelain product, minimal maintenance is required.

There can be noticeable variances between pieces, so it is important and recommended that a range of this product be viewed before finalizing a purchase. Additionally, texture and calibration differences should be expected.

Piece to piece variation in shade or color are inherent in all fire clay products; therefore it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color. This series is suitable for residential and commercial applications.

Castle Brick Red

For packaging information, please contact your local Arizona Tile.

*DCOF rating is a measurement of a tile's frictional resistance. It is the specifier's responsibility to ensure the chosen tile is appropriate for each interior and exterior application.*

Please view actual material when making your selection, as the images on this page are only representative.
