 Concerto Pearl  
 Concerto Sand  
 Concerto White

### STOCKED FINISHES

Glossy  
 Matte

### STOCKED SIZE

2-1/4 × 9-3/4

### STOCKED TRIM

1/2 × 9-3/4 Pencil Bullnose

The Concerto series offers a wide array of neutral and smoky color hues. This color palette lends itself beautifully to many styles of design. Due to the breadth of color offerings, this series can be used in combination with natural stone or other tile series, including glass tile. Colors within the series can also be combined to create a customized and cohesive tile design. It is available in seven colors, all available in both a glossy and matte finish. A pencil bullnose trim piece is available and adds flexibility in application.

Please note that due to a size difference between the matte and glossy finishes in the Concerto series, it is not possible to blend finishes in the same installation. Piece to piece variation in shade or color are inherent in all fired clay products; therefore, it is recommended to mix tiles from several boxes at a time during installation to achieve the best range of color. This series is suitable for residential and commercial applications.

### RECOMMENDED USES

Commercial  
 Residential  
 Interior Floor (matte)  
 Interior Wall  
 Exterior Cladding  
 Fireplaces  
 Shower Walls  
 Steam Showers  
 Pool & Spa

**DYNAMIC C.O.F. WET:** ≥ 0.42 (matte)
