The Paloma ceramic series offers a wide array of neutral and smoky color hues. The research and development that led to the creation of this color palette is apparent. Due to its breadth of color offerings, this series can be used in combination with natural stone or other tile series, including glass tile. It is available in seven colors, with two of the colors offered in two finishes. The various sizes provide flexibility in application.

Paloma Denim 4 × 16 (left wall), Paloma Picket 3 × 12 Steel, Denim & Cotton

When installing rectangular or square tiles 15 inches or longer with a staggered joint, it is recommended that the offset should not exceed 33%, unless otherwise specified by the manufacturer.
